Dixon Technologies (India) - Q4 FY26 Earnings Conference Call

Moderator: Ladies and gentlemen, welcome to the Dixon Technologies (India) earnings conference call for Q4 FY26.

Managing Director: FY26 was an exceptional year; revenue grew about 38% and every segment contributed. Looking ahead, for FY27 we are guiding revenue growth of 30% to 35%.

Chief Financial Officer: For Q1 FY27 we expect EBITDA margin of 4.0% to 4.2% as display module volumes begin to contribute.

Analyst B: Is there any risk from customer concentration in mobiles?

Managing Director: Concentration is a risk we monitor closely; we are adding two new brand customers this year to diversify the order book.

Moderator: That concludes the conference. Thank you for joining.
