Titan Company - Annual Report FY26

Integrated Annual Report for the financial year ended 31 March 2026.

Business Overview

Titan Company operates in jewellery, watches and wearables, and eyecare retail. The Company's businesses comprise jewellery (Tanishq and other brands), watches and wearables, eyecare, and emerging businesses including fragrances and Indian dress wear.

Revenue mix for FY26 by segment: jewellery 88%, watches and wearables 7%, eyecare 2%, emerging businesses and others 3%.

Our strategy is to grow market share through new customers and formats, deepen backward integration, and keep the balance sheet conservative.

Management Discussion and Analysis

Financial performance: Consolidated revenue from operations for FY26 was Rs. 70,280 crore compared with Rs. 60,578 crore in FY25, growth of 16.0%. EBITDA was Rs. 7,880 crore, an EBITDA margin of 11.2%. Profit after tax was Rs. 4,887 crore.

Borrowings at the end of FY26 stood at Rs. 41,762 crore and net worth at Rs. 36,677 crore.

Cash flow from operating activities was Rs. 2,306 crore during the year.

Outlook

The Company remains optimistic about demand in the coming year, supported by new customers and capacity additions. Management will continue to focus on execution, cost discipline and working capital.

Risks and Concerns

Key risks include customer concentration, volatility in input and commodity prices, changes in government incentive schemes, competition, foreign exchange movements and execution risk on new capacity. Gold price volatility affects demand and inventory value; gold metal loans used for hedging are part of borrowings.
