Titan Company - Q1 FY27 Earnings Conference Call

Moderator: Ladies and gentlemen, welcome to the Titan Company earnings conference call for Q1 FY27.

Managing Director: Q1 was softer than planned. Given gold price trends we now expect FY27 revenue growth of 15% to 17%, lower than our earlier guidance.

Chief Financial Officer: We maintain the FY27 EBITDA margin guidance of 11% to 11.5%, though Q2 will be seasonally weaker.

Analyst A: What is the store addition plan?

Managing Director: We plan to add around 60 jewellery stores this year, mostly in smaller towns.

Moderator: That concludes the conference. Thank you for joining.
