## Titan Company - Q2 FY27 Earnings Conference Call

Moderator: Ladies and gentlemen, welcome to the Titan Company earnings conference call for Q2 FY27.

Managing Director: Q2 revenue grew about 9% year-on-year. Studded jewellery remained weak while gold coins grew.

Chief Financial Officer: Margins were impacted by higher promotional spend; we expect the second half to show double-digit revenue growth with margins recovering.

Analyst B: Do you still stand by the margin guidance?

Chief Financial Officer: We will review the margin guidance after the festive quarter; it is too early to change it.

Moderator: That concludes the conference. Thank you for joining.
