Titan Company - Q4 FY26 Earnings Conference Call

Moderator: Ladies and gentlemen, welcome to the Titan Company earnings conference call for Q4 FY26.

Managing Director: FY26 revenue grew about 16%, below the 20% we had indicated, as high gold prices dampened buying in the last quarter. For FY27 we are guiding revenue growth of 18% to 20%.

Chief Financial Officer: For Q1 FY27 we expect revenue growth of 14% to 16% given a high base and fewer wedding dates.

Chief Financial Officer: We are targeting FY27 EBITDA margin of 11% to 11.5%.

Analyst B: Inventory days have gone up. Is that a concern?

Chief Financial Officer: Inventory went up because of store additions and higher gold prices; we expect it to normalise over the next two to three quarters.

Moderator: That concludes the conference. Thank you for joining.
