Dixon Technologies (India) - Q3 FY26 Earnings Conference Call

Moderator: Ladies and gentlemen, welcome to the Dixon Technologies (India) earnings conference call for Q3 FY26.

Managing Director: For FY26 we expect revenue growth of 30% to 35%, led by mobile phones where our new customer programmes ramp up through the fourth quarter.

Chief Financial Officer: We expect EBITDA margin for FY26 in the range of 3.9% to 4.1% as the mix shifts towards mobiles, which carry lower margins but very high return on capital.

Analyst A: Could you talk about the component ecosystem and backward integration?

Managing Director: We are investing in display module and camera module capacity. Capex for FY26 will be about Rs. 1,000 crore, largely in mobile and display.

Moderator: That concludes the conference. Thank you for joining.
